

ORDINANCE NUMBER 23, 2022

Approval of the 2022 Erie County District Revision Commission Final Report

WHEREAS, Resolution Number 55, 2021 adopted November 16, 2021 appointed the following member to the 2022 Erie County District Revision Commission: Chairman Thomas Hutzelman, Freda Tepfer M.ED, Attorney Richard Vendetti, Attorney Chad Vilushis and Attorney Russell Warner; and

WHEREAS, the Commission met on November 19, 2021, December 3, 9, & 17, 2021, January 7, 2022, and submitted its final report to County Council on January 18, 2022, with the results discussed at a public hearing on January 27, 2022.

THEREFORE, BE IT ENACTED by the County Council of the County of Erie pursuant to Article II, Sections 1D (2)(e) and 3(2)(f) that the 2022 Erie County District Revision Commission Final Report to County, attached hereto as Exhibit A is hereby approved.

BE IT FURTHER ENACTED that the amended Erie County Population Tables within the Final Report are also hereby approved.

This Ordinance shall be effective immediately upon adoption.

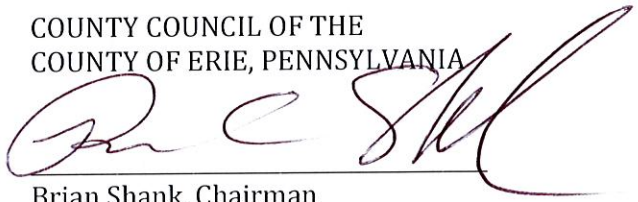

I, Nicole Inan, hereby certify that on the motion of Schauerman, seconded by Winarski, this ordinance was ENACTED AND ORDAINED this 15th day of February, 2022 by a vote of 7 to 0.

2021 ERIE COUNTY DISTRICT REVISION COMMISSION
REPORT TO ERIE COUNTY COUNCIL

I. Commission Members

Thomas Hutzelman, Chairperson
Freda Tepfer, M.Ed.
Attorney Richard Vendetti
Attorney Chad Vilushis
Attorney Russell Warner

The Members of the Commission were appointed by the Erie County Council by Resolution Number 55 of 2021 on November 16, 2021. See Exhibit A attached hereto.

II. Role of the Commission

Article II, Section 1 D2(a) of the Erie County Home Rule Charter requires the appointment of a District Revision Commission by County Council after the publication of the results of each Decennial Census of the population of the United States, to evaluate the Erie County Council Districts for equity in representation in relation to population. The Commission shall submit its "evaluation report" to the County Council within three (3) months after its appointment.

Under the Home Rule Charter, County Council must hold at least one (1) public hearing on the Commission's evaluation report ("Report") within one (1) month after Council receives the Report. Within one (1) month after the public hearing, County Council by Ordinance must either: adopt the Commission's Report as submitted, or adopt the Report "as it may be amended by County Council."

If County Council fails to adopt such Ordinance for any reason, then the Court of Common Pleas of Erie County, upon petition of the County Council or any five (5) citizens of Erie County, shall evaluate the County Council Districts for equity and representation in relationship to population, and the Court shall establish the boundaries of such County Council Districts.

III. Meetings of the Commission

The Commission met officially in public session at the Erie County Courthouse on the following dates: November 19, 2021; December 3, 2021; December 9, 2021; December 17, 2021; and January 7, 2022. The Commission approved and adopted this Final Evaluation Report at its meeting held on January 7, 2022.

IV. Background and U.S. Census Information

At present, there are seven (7) Erie County Council Districts, with boundaries and composition as set forth in Exhibits B and C attached hereto. According to the official U.S. Census data, Erie County's population dropped from 280,688 in the year 2000 to 280,554 in the year 2010, a very minor change in total population. However, in the next decade, Erie County's population dropped approximately 10,000 in the aggregate -- from 280,554 people (2010 Census) to 270,876

people (2020 Census). See Exhibit D attached hereto. The average population per Council District in 2020 is 38,697 people (270,876 people divided among 7 Council Districts equals 38,697 per District). See attached Exhibit E. If no changes were made to the current County Council Districts, the variances from that 38,697 average would be as follows:

Council District Number	Population Variance from 38,697	Percentage Variance from 38,697
1	+2,235	+5.46%
2	-1,856	-5.04%
3	+29	+0.08%
4	-980	-2.60%
5	+2,123	+5.20%
6	-2,806	-7.82%
7	+1,252	+3.14%

V. Proceedings of the Commission

The Commission determined that it would have a goal of keeping any deviations from the average population number in each Council District at no more than plus or minus 5%. Over the course of its various meetings, the Commission considered several alternative proposals or plans for potential redistricting, including separate proposals from Mr. Hutzelman, Ms. Tepfer, Attorney Vilushis, and a joint proposal from Attorneys Vendetti and Warner. The proposed plan ultimately adopted and approved by the Commission was initially proposed by Mr. Hutzelman.

The recommended redistricting plan as adopted and approved by the Commission recommends the following five (5) changes to the existing Council District boundaries:

- A. Proposed Change #1. Move Erie City 1-2-8 from District 3 to District 2 (885 people). See attached Exhibit F.
- B. Proposed Change #2. Move Erie City 1-3-2 from District 3 to District 2 (1,022 people). See attached Exhibit G.
- C. Proposed Change #3. Move Wesleyville 18-0-1 from District 5 to District 4 (1,730 people). See attached Exhibit H.
- D. Proposed Change #4. Move Franklin Township 24-0-0 from District 7 to District 6 (1,508 people). See attached Exhibit I.
- E. Proposed Change #5. Move Millcreek 32-0-12 from District 1 to District 3 (2,831 people). See attached Exhibit J.

Under this recommended plan, the variances from the average population in each District, compared to the current variances, would be as follows:

Council District Number	Recommended Plan Population Variances	Current Population Variances	Recommended Plan Percentage Variances	Current Percentage Variances
1	-596	+2,235	-1.56%	+5.46%
2	+51	-1,856	+0.13%	-5.04%
3	+953	+29	+2.40%	+0.08%
4	+750	-980	+1.90%	-2.60%
5	+393	+2,123	+1.01%	+5.20%
6	-1,298	-2,806	-3.47%	-7.82%
7	-256	+1,252	-0.66%	+3.14%

A map showing the recommended redistricting plan's County Council District boundaries is attached as Exhibit K. A list showing the proposed new composition of the recommended redistricting plan's County Council Districts is attached as Exhibit L. Detail maps of each proposed new Council District are included as Exhibits M, N, O, P, Q, R and S attached hereto.

This recommended plan has the following characteristics:

1. The variances from the average population are significantly less than the existing variances under the current Council District boundaries.
2. The variances from the average population are well below the Commission's goal of plus or minus 5%.
3. There are only five (5) total proposed changes, and it is believed that the overall composition of each existing County Council District is not materially changed.
4. It places all of Wesleyville Borough into the same County Council District.

VI. Commission Recommendation

This Report (including its Exhibits) constitutes the 2021 Erie County District Revision Commission's Final Evaluation Report under the Home Rule Charter. The Commission has adopted and approved this Report as of January 7, 2022, and now submits it to the Erie County Council for its consideration and whatever action Council may deem appropriate.

Respectfully submitted,
